Stream in HD Download in HD Brave is set in the mystical Scottish Highlands, where Mérida is the princess of a kingdom ruled by King Fergus and Queen Elinor. An unruly daughter and an accomplished archer, Mérida one day defies a sacred custom of the land and inadvertently brings turmoil to the kingdom. In an attempt to set things right, Mérida seeks out an eccentric old Wise Woman and is granted an ill-fated wish. Also figuring into Mérida's quest — and serving as comic relief — are the kingdom's three lords: the enormous Lord MacGuffin, the surly Lord Macintosh, and the disagreeable Lord Dingwall. SCREEN SHOTS Brave 2012 Dual Audio Full HD Movie Free Download In Medieval Scotland, Merida, a young princess of the clan Dunbroch, is given a bow and arrows by her father, King Fergus, for her birthday. Her mother, Queen Elinor, is dismayed. While venturing into the woods to fetch a stray arrow, Merida encounters a will-o'-the-wisp. Soon afterwards, Mor'du, a huge demon-bear, attacks the family. Merida flees on horseback with Elinor, while Fergus fights off Mor'du at the cost of his left leg. Ten years later, Merida, now a free-spirited young woman, discovers that she is to be betrothed to the son of one of her father's allies, much to her dismay. Reminding Merida of a legend of a prince whose pride and refusal to follow his father's wishes destroyed his kingdom, Elinor warns her that failure to consent to the betrothal could harm Dunbroch. The allied clan chieftains arrive with their first-born sons to compete in the Highland games for Merida's hand in marriage. Merida twists the rules, announcing that she is eligible to compete for her own hand as the first-born of Clan Dunbroch. She defeats each of her suitors in an archery contest, shaming the other clans and leading to an argument with Elinor. When Merida leaves, she follows the wisps to the hut of an elderly witch. Merida bargains with the witch, and receives an enchanted cake that will change her fate. Brave 2012 Dual Audio Full HD Movie Free Download When Merida gives the cake to Elinor, it causes Elinor to transform into a black bear. Merida returns to the witch's cottage with Elinor, who still retains most of her human personality. The witch has abandoned the cottage but left a message: unless Merida is able to "mend the bond torn by pride" before the second sunrise, the spell will become permanent. Merida and Elinor are led by the wisps to ancient ruins, where they encounter Mor'du. Merida discovers that he was the prince in the legend, transformed by a similar spell. Merida vows to her mother that she will not let her become a wild animal like Mor'du. She believes that she can reverse the spell by repairing a tapestry she damaged during their argument.
